WEDDING

GARRIOTT - GABLEHOUSE

At a ceremony recently in Scarboro United Church, the Rev. Dr. J. H. Garden united in marriage Olive Mae, younger daughter of Mr. and Mrs. S. F. Garrriott of Strathmore, and Petty Officer Ruben Samuel Gablehouse, elder son of Mr. and Mrs. John Gablehouse of Carbon, Alberta.

Given in marriage by her father, the bride wore a gown of white triple sheer, with a silkbraided trimmed yolk and crushed girdle. Her finger-tip veil was caught with a single gardenia and her only ornament a locket, the gift of the groom. Tailsman roses and yellow marguerites tied with blue formed her shower bouquet.

Gowned in turquoise net over tulle and carrying a bouquet of pink snapdragons, Mrs. E. Petersen of Edmonton, sister of the bride, was matron of honor, while Miss Helen Gablehouse was bridesmaid. She wore a floor-length gown of pink net over tulle and her bouquet was pink and yellow snapdragons. Shoulder-length veiling fastened with flowers formed their hairdresses.

Mr. Mitchell was the best man and Mr. Simon W. Garrriott acted as usher. Mr. Berensford played the wedding music.

A reception for thirty-five guests followed at the Empress Grill, where the bride and groom's mothers received the wedding party.

Petty Officer and Mrs. Gablehouse left for the Pacific Coast, the bride travelling in a turquoise dressmaker suit with white blouse, with a small hat and brown accessories.

After a short honeymoon, the groom will return to duty in Vancouver, while Mrs. Gablehouse will make her home in Victoria for the present.

LEGION NOTES

Comrade John Sharp was elected President of the local Branch of the Canadian Legion at the meeting held Tuesday evening.

Mr. Sharp succeeds C. E. Way who has held the President's chair for 3 years.

S. H. Crowther was elected Secretary to succeed W. S. Peterson who resigned owing to his removal to Calgary. Announcement of other officers will be made next week.

W. I. D. Notes

To Mr. Phil E. Sarsons goes the honor of being the first water user to pay his water rates to the Western Irrigation District.

Water was turned into the main canal on April 26th and reached Chesternore Lake on the 27th. Other canals are being primed as the demand for service warrants.

The Board decided that the reserves funds of the District should help with the war and at the same time earn revenue for the district. It, therefore, subscribed \$285,000 to the Sixth Victory Loan.

Water users should notify their ditch rider when they want water service. In most cases there will be no difficulty in giving service to those who received water last year, but in cases where the ditches have been abandoned for some time, it may not be possible to give service until

the ditch has been rehabilitated but every reasonable effort will be made to give service to everybody who signed up.

Holders of C. P. R. water agreements can expect the same service as in the past but should pay their rental (\$500 per acre) to the district and apply to their ditch rider for service.

Those desiring water service who did not sign the petition last winter or do not hold a C. P. R. water agreement will be supplied with water if it is possible to do so provided they pay \$100 per acre for irrigation or the established rate for domestic use in advance and agree to sign up a reasonable acreage of land for irrigation or for domestic use before the end of the current year. Tenants who cannot sign up will be supplied with water for the current year if they pay the water rates in advance.

QUARTERLY MEETING OF RED CROSS

In spite of few members attending the public meetings the work of the Red Cross in the Strathmore district goes steadily forward. We are grateful to Mr. McMurray who represented us at the Provincial Annual Meeting in Calgary in February and who, on May 8th, in Strathmore gave an interesting report of those proceedings.

Mrs. Malcolm McKenzie is faithfully and quietly carrying on with her nursing classes. These classes are much urged by the Red Cross, there being a dearth of nurses all across Canada. The town salvaging is keeping up a good record. To see some result of such, visit the depot in Calgary and ask to be shown the "Service Men's Club".

Owing to the general exodus of C. P. R. families our local sewing and knitting group is being hard hit. Won't some of our remaining townswomen, who have time be unselfish enough to help in this all important work? All district Red Cross events are so fully described in the "Strathmore Standard" and executive and committee meetings manage these events, that, except for the annual meeting, it seems scarcely necessary to hold public meetings. What is the general opinion on this point?

BUY MORE VICTORY BONDS

MOTHER'S DAY

Friends of United Church from the entire district are invited to mark the Family Feature on Mother's Day.

A special invitation is extended to those married 25 or 40 years or more to join in the evening service.

Leader Bracken In Strathmore

Friday last Mr. Bracken, leader of the Progressive Conservatives spent a few hours in Strathmore.

He was shown the Irrigation Set-up and was greatly interested in its many possibilities.

ARDENODE

— By Mrs. H. S. —

Mr. and Mrs. D. S. Brook entertained Friday evening for Mr. and Mrs. L. M. Wise and family.

Mr. A. W. Ancell of Saskatoon is spending a few days with Mr. and Mrs. Wm. Ancell.

Miss Mary Awoock spent the weekend at the home of Mr. and Mrs. D. S. Brook.

Mr. and Mrs. E. R. Johnston, Mr. Gilbert Johnston of Atlee, Mr. and Mrs. A. Freyre and infant daughter, and Mr. and Mrs. W. Freyre, all of Delamere were Sunday guests at the home of Mr. and Mrs. L. M. Wise.

STRATHMORE AND DISTRICT GOES OVER TOP

The Strathmore District has reached its quota and 25 per cent over to date. The quota is same as last year viz. \$187,000. The Committee are jubilant over the generous response to their canvas but at the urgent request of the National War Loans officials the canvassers are still carrying on as all recognize the need this year will be very great.

The Victory Loan Flag with two pennants is now proudly flying from the mast at Victory Loan Headquarters. We expect to see another pennant soon.

VICTORY LOAN NEWS

Total Victory Bond sales \$1,610,363, 600, about 31 million up over last Loan. Yesterday's figure, \$86,247,500

LANGDON

— By M. E. M. —

Sidney Smart left last Tuesday for Rochester Minn. to consult the Mayo Clinic about his arm. We hope he will find help.

Mrs. George Thurston of Nightingale, Constituency Convener of the W. I. was the guest speaker when the Langdon W. I. met on May 3rd. She gave a very interesting report of the District Conference held at Lethbridge in March.

The United Church will observe Mother's Day on Sunday, May 14th, when a program will be given and Rev. A. R. Aldridge will conduct the service at 12 o'clock.

Leon Jesse, who has been in Calgary for nearly five months taking treatments, is at home again, much improved.

Mr. and Mrs. J. Brander Jr. were Didsbury visitors on Thursday.

Mr. and Mrs. W. D. Braden made a flying trip to Carbon last Saturday afternoon.

Two farm hands in Scotland wanted a holiday, and one of them approached their door employer.

"Hoots," said the farmer, "a holiday! Why it's no many months since ye had the two minutes silence."

THE OUT-SIDE

● The Dominion Government is determined to proceed with its major security legislation this session. It was feared that introduction of the Health Insurance Bill might be delayed because of the difficulty of holding an early Dominion-Provincial Conference. To obviate this a conference of federal and provincial health ministers and deputy ministers has been arranged for three days, starting May 10, at which it is hoped to reach an agreement which will permit early action to inaugurate a Dominion-wide health insurance program.

● Opposition Supports Industrial Bank—

Both the government and members of all parties are devoting a great deal of attention now to steps designed to solve post-war difficulties and maintain or increase employment, prosperity and the living standards of the people. The Government plan for an Industrial Development Bank intended mainly to aid small industries and convert war plants back to civilian production is well advanced.

● War Weapons Cost Reduced—

Reduction in price of war equipment due to development of mass production and revision of contracts will save the Dominion more than \$100,000,000 this year. On Harvard training planes which originally cost \$23,400, but are now being made for \$5,000 less per machine, the saving this year will be \$6,000,000. On rifles, cost of which was reduced from \$62 each to \$32, the saving this year will be \$9,000,000. Universal carriers originally cost \$4,500, but the price has been cut to \$3,000. This will save \$16,200,000 this year. Careful comparison of the Canadian purchasing and contract system for war supplies shows that it has operated as well or better for the taxpayers as that of any other country. Cost of many items, including anti-aircraft gun barrels, has been cut in half since the start of the war.

● Canada Seeks Beef Contract—

Possibility that Canada may conclude a large beef contract with Britain has developed. Due to the foreign policy of Argentina, Canada and the United States may take over the shipment of beef to the United Kingdom. Consideration is being given to sanction against the Argentine, which supplies Britain with the major portion of imported beef. Outside of that possibility, increased needs of armed forces in Britain may result in considerable beef purchases from Canada. While this might mean resumption of meat rationing in the Dominion, it would mean an assured market for Canadian beef. Hon. J. G. Gardiner, Minister of Agriculture, is trying to negotiate a contract that will run for several years, thus protecting the cattle raisers of the Dominion for a considerable period.

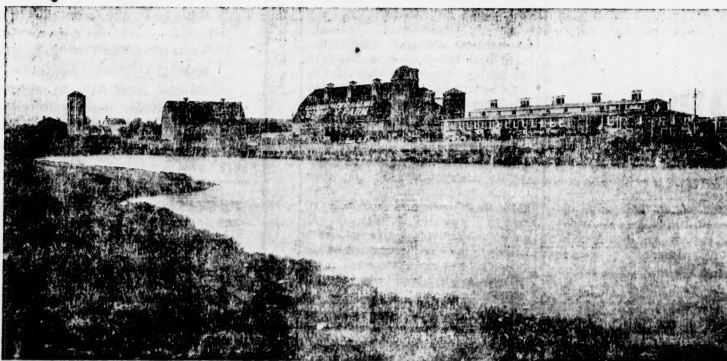

COMING EVENTS

The Sorosis Society will hold their regular meeting Wednesday, May 17th, at 8 p.m. at the home of Mrs. C. F. Nicholl. All members requested to attend.

CAPT. VEINER BUYS C.P.R. FARM

These buildings home for many years on Canada's largest Holstein herd and prize Percheron horses, have been sold by the C. P. R. to Capt. Harry Veiner, large scale stockman and farmer, now in charge of the Army's catering and messing service. The farm consists of about 1400 acres with barns, sheds, power plant and residences.

A few weeks ago Capt. Veiner purchased the Sheep Farm, of which Jock Stephens is manager.

WHAT I THINK

— By W. E. Sieber

ABOUT UNBALANCED CULTURE

Culture today is badly out of balance and such a condition spells danger, was the purport of a statement recently made by one who had spent many years in the study of education and culture.

For several decades now, the speaker said, marvellous progress had been made in the fields of scientific discoveries and mechanical inventions but that no corresponding progress had been made in the spiritual life of man during that time and that this situation had thrown culture badly out of balance.

True! The spiritual attitude of man is still the most important factor which determines the amount of goodness or evil in the world in which he lives. Once you have an increase of selfishness and greed in the heart of man the inevitable result must be that he will then use all discoveries and inventions to achieve the ruthless purposes of selfishness and greed for power.

There must first be a larger amount of good-will in the spirit of man be-

fore he can hope to live in a better world, economically, socially and politically. It is the heart of man that produces most of the good and the evil in the world in which he lives.

Today there is not goodness in the heart of man to go around and to meet the challenges presented by the mechanical age. Not enough spiritual goodness to enable him to use those larger powers made available by the recent inventions and discoveries. That's why humanity is plunging headlong over the cataract of mutual destruction. That's why so many of us refuse to be shocked, or even disturbed by the slaughter of tens of thousands, or perhaps millions, of our fellow creatures. Nor are we greatly concerned about the loss of the choicest of our young men and women.

Never before has man been able to inflict so much suffering and misery upon his fellowman with so little concern felt about the ultimate result of his actions. How many of us really stop to think where all this slaughter this destruction of life and property coupled with all the hatred and bitterness of soul that is released today must eventually lead to? No one can foresee what possibilities of terrible harvest for future generations to reap lies wrapped up in the seed we are sowing today!

It may be that all this suffering will lead us back to humility. It may send us back to the first and fundamental principles of life. That is back to God, the only source from which we can draw that spiritual goodness without which a better world is

impossible. That inner power that will enable man to live in an atmosphere of friendship and sympathy with other people.

Moral ideals not backed by religious convictions become impotent. They degenerate into either mere lifeless conventionalities or into principles of momentary expediencies. Education must again be linked up with general education, or at least better provided for by the Home and Church and Community. There is no other way to vitalize the social ideals now taught in the schools.

Much too long have we thought of ourselves as gods. We were together too sure that we could create a perfect world order without the help of the Almighty. We thought that all we needed was to build bigger and better machines to do our work for us and to create power to run them! To day we find ourselves unable to control the power we have created.

Instead of a new and better world we have created new and more powerful means to destroy life and property. "The history of mankind," said a philosopher, "is a perpetual race between the culture of his spirit and catastrophe." Today we see how very true this is. And what's more, we see catastrophe overtaking spiritual culture in the race with every prospect of it winning a complete victory.

The neglect, or denial of spiritual culture has become a measure of death and destruction upon man that staggers the imagination.

Let us no dream of a better world, or even a warless world, nor a more just social order until the heart of man is possessed of more goodness and sympathy and less by selfishness and greed. The heart regulates the balances between good and evil. It alone can determine whether we, today, are building for a warless world or for still more devastating wars in the future.

Chas. W. Wood, distinguished Journalist, in 1920 wrote—"The alternative to war is not law. The alternative to war is friendship."

Friendship—a divine quality in the soul of man finding its source and inspiration in true religion. Friendship—that spirit of inner compulsion driving us to seek the welfare of our fellow-creatures.

When we possess this we shall use our new-found powers for the good, and not for the destruction of our fellowman. For the good of all and not merely for the benefit of the few favored ones.

A better world can only be built by better man. Man can only become better as he links his life closely to God. We neglect spiritual culture at our own peril. If we have learned that lesson from the present war we shall be on our way to building a new world - not otherwise.

Aeroplanes that today carry heavy bombloads to obliterate whole cities could more safely carry foodstuffs to the millions dying of starvation in India and China. Need we ask why this is not being done?

Merely because we do not think it is nearly so important to feed the starving millions, nor so urgent as it is to destroy whole cities by bombing.

That which seems most important to man is the yardstick by which alone we can measure the quality of man in any generation, both in the nation and individual alike. The balances are too heavily weighted on the side of ill-will and destruction today because God has been pushed too far into the background of life - if not out of it altogether. True what the speaker said— Culture is unbalanced and the spiritual life of man is at too low an ebb.

The U. F. W. A. held their meeting at the home of Mrs. A. Cleveland, when eighteen members were present besides visitors. Roll call was answered with Mother's Day poem and one principle of Co-operation. A sing song was enjoyed by all after which a delightful lunch was served.

Miss D. VanDerveide had to leave school at Crossfield and undergo an operation at the General Hospital. We are glad to report she is coming along nicely at present.

Mr. J. Paterson had the misfortune last Wednesday eve to be crowded off the road by a big truck with a load of gas. He escaped injury but had the fender of his car smashed in. He walked to a neighbor and had him pull him out of the ditch with a tractor. These road hogs are a menace to the public and something should be

Adult Classes Prove Worth

The adult education classes which closed last week at the Lacombe School were interesting, instructive and of genuine value to the community. Their popularity was proof positive of the old adage that, provided we have the will to learn, we are never too old to learn.

The classes gave to a large number of local residents an opportunity to improve their skill in woodworking, sewing and typing. In the physical training many more were given the opportunity to keep in shape—a prime requisite in this war-torn world, and still another group were able to attend the current history classes and keep in close touch with conditions throughout the world.

An outgrowth of the Lacombe and District Home and School Association the adult education classes were started as a experiment, and in the opinion of the great majority of those who attended during the past few months, have already proven their worth.

A great deal of credit is due to the members of the committee in charge of the classes, the local teachers who gave their time freely in order to assist the movement and the various educational authorities who came from Edmonton to address the meetings from time to time. The classes have been a success in every way and it is hoped that ways and means will again be found to carry on the work next year.

Seeding is progressing very nicely in this district.

RURAL GLEICHEN

Mr. and Mrs. Jack Bell are visiting his parents Mr. and Mrs. George Bell for a few weeks.

Joan Day spent the weekend with Audrey Watwood at Shoultice.

Sunday School which is generally held at the Geo. Bell home was held at Mrs. P. Sammons because Ann Bell has been in quarantine with chicken-pox.

Mr. and Mrs. C. Lilla and Dennis of Calgary have been visiting Mr. and Mrs. L. Lilla.

Mr. and Mrs. W. P. Erford received word that Mrs. Ray Erford is now living at Sydney B. C. where Ray is stationed. Millie has just recovered from an operation for appendicitis.

Mr. and Mrs. P. Daw are spending a few days in Calgary.

Mrs. L. Lilla entertained a few friends Wednesday afternoon. Quill-

ing was the pastime.

Word has been received that 08 W. T. Don McArthur has been transferred to St. Hyacinthe, Quebec.

Mrs. W. F. Erford entertained a few friends at tea Wednesday afternoon.

Friday night a charivari and dance was held in Meadowbrook Hall in honor of Mr. and Mrs. Gordon Hall and Mr. and Mrs. J. Mooney, the newly weds of the past few weeks. A large crowd attended and a wonderful time was reported. The Namaka orchestra furnished the music.

Miss Gale spent the week-end in Calgary.

Mr. and Mrs. Pomroy, Mrs. George McBean and Leona were Rockyford visitors last week.

A few friends gathered at the McBean home Saturday evening to help George celebrate his birthday.

Leona McBean entertained a few friends from Rockyford and Chancel-

lor at dinner Sunday evening, when games and music were enjoyed.

Cliff Pomroy, Joan Stitt and Arnold Melnae of Rockyford were Stobart visitors Sunday.

Mrs. Betty Eastcott of Okotoks visited Mrs. Goe, McBean last week and attended the thirtieth anniversary of the O. E. S.

Mr. Foster, Pat and Don motored to Shepherd Saturday to visit his mother—who has just returned from the hospital. Mrs. Foster returned with them.

Mr. and Mrs. W. Blaney, Mr. and Mrs. G. McBean visited Otto Hoelscher of Tudor last Sunday.

Customer—What's the charge for this battery?

Garage Attendant—One and one-half volts.

Customer—How much is that in Canadian money?

THANK YOU CANADA

... but there's still a WAR JOB to do!

OFFICE OF THE MINISTER

DEPARTMENT OF NATIONAL WAR SERVICES

To my fellow Canadians:-

You the citizens of Canada and members of the Voluntary Salvage Committees and many other Voluntary War Workers have done an excellent war job.

Canada, in doing her part to help win the war, has been greatly assisted by your voluntary and unselfish devotion to war materials. You have backed up the boys overseas and the tide of battle against the enemy. When Canada's stock piles have been dangerously low, you have discovered, saved, and salvaged waste material which has been turned into weapons, ammunition, explosives and containers. Your Salvage Campaigns have been Nation-wide and of National importance. Your job has been a big one which you have nobly performed.

When at war the past is the past and we must look to the future. Again I appeal to you!

There is another National war emergency which must be met and overcome. Experts on the matter have assured me that there is a critical shortage of Waste Paper and that the situation is desperate. War supplies must reach our Fighting Forces who will use them against the enemy. War supplies must be safely packed. As we march on nearer to the enemy more supplies are required by our Fighting Men. More - much more Waste Paper is wanted now.

Paperboard mills are working on a day-to-day basis and Waste Paper are critically low. From now on every scrap of waste paper is to be saved and turned in to the Nation through regular Waste Paper channels.

Fellow Canadians please help!

Yours sincerely,

L. R. LaPléche

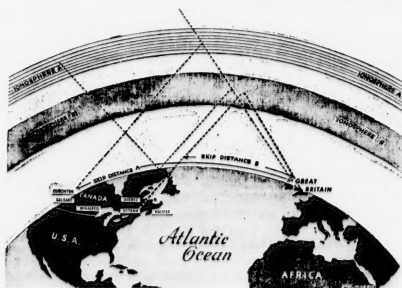

L. R. LaPléche,
Minister, National War Services.

CANADA NEEDS 20,000 TONS OF WASTE PAPER EVERY MONTH

WHAT IS WANTED: You can remedy this critical paper shortage by saving every scrap of Waste Paper, namely: wrapping paper—store bags—cardboard—cartons—corrugated board—old magazines and books—envelopes and letters—newspapers. These represent the raw material for making vitally needed paper containers.

HOW TO DO IT: Tie securely in separate bundles. (The little time you take will save thousands of man hours.) Then dispose of it through your local voluntary Salvage Committee or other War Voluntary Organization, or sell it through any known trade channels, your pedlar or others. The important thing is to get your Waste Paper moving to the mills.

THY MOTHER'S LOVE

Triumphant o'er the flight of years,
And vanquished not by pain or
tears,
Faithful and strong whatever betide
Thy mother's love will age abide.

Fame and fortune may forsake thee,
Shame and sorrow overtake thee,
But when thy star hath ceased to
shine

Thy mother's love will still be thine,
Swift as a sunbeam in its flight,
Tender and pure as God's own light,
And brightest when the shadows fall
Thy mother's love is best of all.
—By T. Longboimham.

VICTORY BONDS AND THE
POST-WAR

A silly and harmful suggestion heard too often these days is that when the war is over the Government of Canada may not be able to meet its obligations, with a consequent doubtful future for Victory Bonds, Finance Minister Fliley. In a speech at Windsor this week, dealt with such talk, and it is to be hoped that his words are read widely. Said he:

"It will be of the greatest importance that we maintain, indeed assure, a ready and stable market for all these millions of bonds that we have sold. We have now the monetary and financial machinery and we have developed the methods for accomplishing this, and we will therefore be able to deal with any situation which may develop in a way which will keep faith with the millions of small investors who are supporting the savings program in this emergency."

The notion that this rich country is going to pass into poverty or chaos with war's end, unable to meet its obligations, is a fantastic travesty of ob-

vious fact. We have the resources, the people, the plant and machinery, the managerial and productive skills, why one earth should anybody imagine that we will be incapable of using them. — Ottawa Journal.

CLUNY

—By A. E. C.—

The W. I. meeting was held at the home of Mrs. A. Provise and a most interesting time was had. After some discussion it was decided to ask for the advanced sewing demonstration. Mrs. B. F. Graham reported on "Canadian Industries", Mrs. Lee Raymond on "Handicrafts and War Services" while Mrs. D. Clark conducted a query on our second lesson of "New Fundamentals for Old". Verses were read by Miss Glander, Mrs. Goldsmith and Mrs. Gordon. Mrs. Walter James read an article on Boy Scouts which was most instructive as well as interesting. The entertainment committee put on an old-fashioned spelling bee won by Mrs. Arkell by a cutting of cards as time would not allow of a complete elimination. The birthday raffle donated by Mrs. W. James and Mrs. Arkell and was won by Mrs. E. Bailey. A donation of \$20.00 was made to the Board of Trade to be used on the new tennis court. Lunch was served by the hostesses, Mrs. R. Clark, Mrs. G. Beaudin and Mrs. Provise.

A dance, sponsored by the W. I. and the C. W. L. is to be held in Hermans Hall on May 19th. Proceeds to be in aid of the Community Hall Fund. A raffle and a fish pond will also be in progress. Progress and a good time is assured. The ladies will bring lunch in boxes and they will sell for 25 cents single and 50 cents double lunch.

The Board of Trade are doing some good work on the new tennis court and it won't be long now boys and girls.

Lynn, young daughter of Mr. and Mrs. Harold Beates, formerly of Crowfoot, now of Carseland, is sick in the Bassano Hospital. We hope for her a speedy recovery.

Mother's Day services will be held in Cluny next Sunday at 2:00 p.m. with Rev. Hunt of Strathmore officiating. As usual, the children of the Sunday School will take part.

We are sorry to learn that Miss E. Mustard, formerly of Cluny, now of Calgary, is a patient in the Holy Cross Hospital. We hope she will be around again soon.

Mrs. Allan Clark journeyed to Calgary by bus on Tuesday for a few days' visit.

Seeding is well under way in this district, but, like the rest of this part of the world, we could stand some moisture.

The regular W. I. bridge met at the home of Mrs. R. Edwards last Thursday with five tables in play.

CHANCELLOR

—By Mrs. J. M. W.—

The tractors are humming quite early in the mornings now, as the farmers are busy seeding. The seeded acreage is about three parts finished now.

Miss Betty Williams spent the weekend with her parents at Cluny.

Mr. and Mrs. L. C. Smith visited friends in Brooks on Thursday.

Mrs. A. E. Hobbs stayed a few days in Calgary this week.

Fourteen friends cited on Mr. A. Lind on Sunday to congratulate him on his 68th birthday. After a lovely lunch Mr. A. Strom entertained with his technicolor films which were both beautiful and interesting.

Mrs. Lester Mann returned home on Sunday from a trip to Yakeima, Washington, U. S. A.

Mrs. E. Campbell is expected home from the hospital this week. We are glad to know she is better.

Mr. Simon Fraser and Jimmy are out at the farm for seeding.

POT POURRI

"It has truly been said that this is a war of the people, of the common man. But where is the Moses to shatter the tablets and to bring the common man to his senses? Unless the teacher to show us that where we search for and keep the Commandments ourselves, our hope of encouraging others to do so is a delusion? Even though we win the war, as before, we may lose the peace as before."

We are fighting a collection of tyrants who have set themselves up in place of God and who follow only the rules of their own making. The United Nations believe, if only with half their hearts, that they are fighting God's battle. They believe that they are fighting for the freedom of man under God instead of under a dictator and for the establishment of His eternal Commandments in place of the expedient laws of men. As this belief grows and becomes articulate, so will our strength. To our material resources we shall have added those moral resources which will give us not only a temporary military victory but a lasting spiritual victory."

(From "The Return to Religion" by Henry C. Lind.)

CHEADLE

—By Mrs. E. J.—

Our heartiest congratulations go to Raymond Torgimson who has been commissioned as pilot with the R. C. A. F.

Mrs. Torgimson's sister from the U. S. A. is now visiting here.

The last meeting of the W. W. Club was well attended. Plans were made to hold a tea and social at Mrs. Drake's on the afternoon of May 17th. Each member may bring a guest. It was also decided to finish off the quilts before the next regular meeting.

The welfare committee of the Community Club is preparing hampers to raffle for money for the Christmas boxes of our boys in the service. Any contributions toward these hampers will be accepted at the store. No need to stress the worthiness of the cause.

The welfare committee is also asking all housewives, in the course of their spring cleaning, to bundle up any out-dated children's clothing, or clothing that could be made over for children, and leave them at the store to be taken to the Wood's home.

Mrs. O. Moorhouse, well known to Chedale people, is in the hospital,

suffering from neuritis.

Earl Lowry received severe burns to his hand this week, when his car short circuited and caught fire. It succeeded in getting the fire out. We were all very thrilled this week

to hear on the air, and read in the papers about the exploits of Ray Dunn, R. C. A. F. pilot in India. This young man seems destined to make a name for himself in this war, and we all feel very proud of him.

BLUE RIBBON
COFFEE—A Quality
Product Moderately Priced

**CLEAN Crankcase and Valves . . . IMPROVE
Performance . . . PREVENT Costly Engine Repairs!**

Sludge is a thick, dark mixture of used oil, water, carbon and unburned gasoline which forms mainly in the crankcase of car and truck engines—it plugs oil screens and oil passages and damages other engine parts.

Slower, wearine driving—shorter trips—lower grade fuels make sludge a common problem now.

Low cost sludge removal service from a GENERAL MOTORS DEALER today will—

- Save gasoline and oil—prevent costly repairs.
- Extend the life of your car or truck—improve performance.

This information is made available to you, the owners of Canada's cars and trucks, to assist you to conserve your vehicles, and so safeguard against a breakdown of the country's automotive transportation up to and even beyond the day of Victory!

HUSSAR

by B. W.

The Hussar Junior Red Cross held its annual tea and bazaar on Saturday April 29 in the afternoon, with the principal, W. Wrozb in charge of the affair. The other teacher, Miss Keenstra was in charge of the kitchen and the lunch. Both were by the pupils, each one having an appointed task. The Bazaar was under the management of Eastman Dundas, assisted by Lila Brown. Miss Alva Anderberg, was assisting in the kitchen and dining room. The draw for the pair of

pillow cases, made by little Sharon Oddis, resulted in a win for W. Wrozb. With the three lines of business, the result was very gratifying. The tickets brought in \$11.10, the bazaar \$11.89, the tea \$14.68 making a total of \$37.67. All members and the two teachers are to be congratulated upon the splendid way in which the matter was handled.

Some 100 friends and relatives gathered at the home of Mr. and Mrs. Ted Clark on Saturday evening the 30 to do honor to Mr. Robert Clark, who has enlisted in the U. S. Navy and will be leaving within the next two weeks. The committee in charge

were Mrs. T. Lawson and Messrs. L. F. Snyder and E. Johnson. Cards were played for entertainment. A bounteous lunch was served by the ladies present. After lunch the chairman, L. F. Snyder, called the gathering to order to listen to a fine talk by Earl Johnson, who presented Robert with a pen and pencil set along with the good wishes of all present. Mr. Clark made a fitting reply in which he stated that he would be back to Hussar after the war.

Mr. Emerson Brown, R. C. A. F. returned to Hussar on Friday for a two weeks leave with his parents. Ruth, who is attending college in Calgary

ROCKYFORD

By K. M. G.

Mr. and Mrs. Durrant are at present enjoying a visit with their son Bob, who is at home on leave. Their daughter, Mrs. Shedly, was able to come home at this time making for a happy reunion. Some friends gathered at the home on Saturday for an evening's fun before the young folks return to their respective duties.

Albert Epe had the misfortune to sustain a broken leg. He is at present at the Holy Cross Hospital receiving treatment.

Mr. Tony Kalbhen is at present quite ill at home with pneumonia. He is too ill to be moved to hospital so his wife has taken over the work

of nurse, and is doing a very efficient job of it.

**F. L. HEIMBECKER BELIEVED
KILLED**

F. L. Hary Lyle Heimbecker, former flying instructor at High River and Claresholm, who was reported missing March 16 after air operations overseas, is now believed killed.

He was educated at Stanley Jones and Crescent Heights high schools. In May, 1941, he enlisted in the R. C. A. F. and went overseas last May.

F. L. Heimbecker's wife, the former Kathleen Mary Sullivan, and seven months old daughter, live at 1216-17th. Ave. W. His parents, Mr. and Mrs. J. F. Heimbecker, are at Rockyford.

Lyle was well known in Rockyford having worked in the Municipal Office before his enlistment with the R. C. A. F. The sympathy of the entire community goes out to the family in their sorrow.

Another son, George, is with the Armed Forces in England. Two sisters, Mrs. Kinswaver and Miss Edith in Calgary, a younger sister Ruth and a younger brother Jack, at home.

CHRISTIAN SCIENCE

"Mortals and Immortals" will be the subject of the Lesson-Sermon at all Christian Churches on Sunday, The Golden Text is 1 Corinthians 15-19. One of the Scriptural citations is, "What is man, that thou are mindful of him? and the son of man, that thou visitest him" (Psalms 8:4). One of the correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, is "God, the divine Principle of man, and man in God's likeness are inseparable harmonious and eternal. The Science of being furnishes the rule of perfection, and brings immortality to light" (p. 336).

also returned for a visit with her brother.

Mr. Mickey Clark, R. C. A. F. will be at home for two months leave, assisting his father with the spring work.

Mrs. Archie Montgomery had the misfortune to sprain an ankle this week. She had to go to Bassano to see the Doctor and have it taped up.

Mrs. L. I. Montgomery spent last week-end in Calgary with her parents Mr. and Mrs. A. A. Chiffard, who returned with her on Wednesday and are visiting with her and their other daughter, Mrs. B. S. Snyder.

Two car loads motored to Gleichen on Tuesday to attend the meeting of the O. E. S. there.

The last quilting for the Red Cross was held at the home of Mrs. W. Wrozb. A good number attended and one quilt was finished. Next quilting will be at the home of Mrs. Stewart on the afternoon of May 4th. It is hoped that many may be present.

The May meeting of the Ladies Aid will be held at the home of Mrs. E. F. Blake on Wednesday, May 10th.

T. MICHAEL & ALL ANGELS'
(ANGLICAN)

Sunday, May 14th.

11.00 a.m.—Holy Communion.
With Rev. Canon T. B. Winter con-
ducting the service.

To all Anglicans—

Reasons why we should attend this
Service—

(1) Since we have been without a
resident clergyman opportunities to
partake of the Sacrament of the Holy
Communion have not been numerous.

(2) To show our respect to and af-
fection for Mr. Winter, who served us
so long and faithfully.

SERVING CANADA in WAR and PEACE

[The 63rd Annual Meeting of Canadian Pacific Shareholders was held in Montreal on May 3rd, 1944.]

Remember how pleasant it used to be to travel on Canadian Pacific trains and ships . . . to stay at Canadian Pacific hotels and resorts?

That was before Hitler unleashed his mad ambitions. It's different now. It has to be—for the World's Greatest Travel System has a big war job to do—and is doing it with characteristic efficiency.

When that job is done—and peace returns—Canadian Pacific will be ready to serve you as before . . . and even more completely.

Already plans are being made for the construction of new, improved locomotives and coaches . . . sleeping cars . . . parlor cars . . . diners; for the improvement of roadbed and tracks; for the renovation of stations and hotels; for the building of a new fleet of ocean vessels to replace those lost in war service.

This post-war program means much more than the mere restoration of pre-war travel facilities. It means the introduction of travel on a new scale of comfort, convenience and speed!

And more than that. It means a substantial amount of post-war employment and prosperity all over the Dominion, because the program itself will provide years of steady work at good wages for tens of thousands of Canadians.

This is one way in which Canadian Pacific is planning to meet the challenge of peace—while continuing to do a vital war job at home and abroad.

Canadian Pacific
THE WORLD'S GREATEST TRAVEL SYSTEM

CANADIAN PACIFIC PRODUCT OF FREE ENTERPRISE

LOYALLY AND EFFICIENTLY serving Canada for 63 years, the Canadian Pacific exemplifies the initiative and resource of free Canadian enterprise. The Dominion's first transcontinental railway, it was pushed to completion by a group of farseeing citizens who backed their faith in Canada's future with their personal fortunes. Thus, Canadian Pacific has played a major role in the development of the Dominion.

THE WARTIME ACTIVITIES of Canadian Pacific have been indispensable to Canada's contribution to victory. Rail freight traffic has doubled and passenger traffic has increased threefold compared with peacetime.

Canadian Pacific's ocean fleets on the Atlantic and the Pacific have been at the service of the United Nations since the outbreak of the war.

From Canadian Pacific shops have come tanks, guns and other munitions of war to a total value of \$125,000,000. Today approximately 18,000 Canadian Pacific employees are serving in the Armed Forces.

CANADIAN PACIFIC is rightly proud of these records, made possible by the free association of three important groups, each contributing vitally to mutual Canadian interests:

ITS PATRONS—throughout Canada and many other parts of the world.

ITS EMPLOYEES—totalling over 75,000, whose wages and working conditions set a high standard for Canadian labor.

ITS SECURITY AND STOCKHOLDERS—numbering more than 200,000, who have risked their savings as evidence of their faith in the Canadian system of free enterprise.

Local News Items

Jimmy Kernaack and his wife are spending a short holiday with his folks.

Harrison Gray, small son of Mr. and Mrs. Elmer Gray was taken to the hospital last week with a very severe attack of septic throat. Pneumonia was feared but we are very glad to hear that he is progressing favorably.

Sandra McKenzie was rushed to the hospital Friday evening, where she underwent an operation for appendicitis. We wish her a speedy recovery.

Louis Morton, who is stationed at Saskatoon with the Canadian Active Army, was home on a 96-hour leave over the week-end.

Mr. and Mrs. Bill Giroux were weekend guests of friends in Strathmore.

A. W. 2 Dorothy McNeill has had to give up her Wireless course in Montreal and is now in Rockville waiting for a posting as a stenographer.

Fred Schurattoff of the R. C. A. F. is home on two weeks spring leave.

Mr. and Mrs. O. Wright spent several days in Strathmore last week.

Mr. W. S. McNeill, after a two month's holiday spent in Smith's Falls, Ontario, has decided to move his family down there and continue in his same work. He will leave Friday, purchase a house and begin work. Mrs. McNeill, Billy and Marjorie will leave the end of May with several stops on the way to visit relatives in Saskatchewan and Manitoba. Edythe will remain in Strathmore with the Boisservin family and continue her job with the Standard.

Mr. and Mrs. Cliff Giroux have purchased the McNeill house and will move in at the end of May.

Mrs. H. Backs has as her guest her mother, Mrs. G. Schauffele of Vancouver, formerly of Strathmore. Mrs. Schauffele is visiting friends and relatives in Calgary and Strathmore.

Miss Mary Backs, of the Brooks Royal Bank Staff, is home on two weeks holiday.

Mr. Alex Gray has secured a job at the Coast and remained there while Mrs. Gray came back to arrange the moving. Strathmore will be sorry to lose these worthy residents of long standing.

At the Home and School meeting Monday, May 22nd, Mrs. Lockwood, Provincial President and other Calgary speakers will be present. The meeting will be held in the auditorium of the United Church and refreshments will be served downstairs following the meeting. Visitors from Nightingale, and Carlsland will attend.

Mrs. Moore spent the weekend in Provost, Alberta with Mr. and Mrs. Allan Cumming and family.

Several young people gathered at "Happy Hollow" Sunday evening for a weiner roast. The hours soon passed with songs and laughter.

Captain Jack Coldwell of the R. C. A. F., who has been flying for C. P. A. at St. Johns Quebec, is home on three weeks leave.

Don Sarsons, who is stationed on the West Coast with the R. C. N. V. R. is home on leave.

Mr. and Mrs. Coldwell entertained the McNeill family at a delightful dinner party Wednesday evening before Mr. McNeill leaves for the East.

Ted Slater of the Canadian Active Army has been transferred to Woodstock, Ontario for further training.

Mrs. Biasore entertained a number of her Strathmore and Nightingale friends at a very delightful party on May 2nd., the occasion being her birthday. She also had a few guests drop in in the evening to wish her a happy birthday with many more to come.

Miss Ilene Wilson is now in Calgary taking a business course. Betty is employed in the local Post Office.

Mrs. Fred Archibald has received word of the death of her Mother, Mrs. Patrinquin in Nova Scotia.

Mrs. Sugden has as her guest for a few days her sister Mrs. Chaplain from California.

Brig. Bessford Topp was a week-end guest of Mr. and Mrs. G. H. Patrick.

Mr. J. Downie has received a promotion to the Calgary office, and is now working there. Mrs. Downie will go to the city as soon as living accommodation can be found. We regret their departure.

Mr. and Mrs. Jack Riddoch were Strathmore visitors last Friday.

Mr. George H. Jones, former manager of C. P. R. Farm has been appointed Superintendent of Shorthorn Farms for James Richardson and Sons with headquarters in Winnipeg, where he is now residing.

Mrs. S. Hyde left Wednesday for a short visit to the Coastal cities.

Mr. Art Hay, formerly of Strathmore, has been appointed assistant Supt. of the Mental Hospital Farm at Essendale, B. C. They will be living at Port Couillard about three miles from Essendale Colony Farm. Mrs. Hay and children, after a short visit in Strathmore will leave for their new home Saturday.

Gordon Crellin—Isn't it funny that everybody in our house is some kind of an animal? Mother's a deer, and baby's a little lamb, and I'm a kid. I can't think what you are pop? Jack—I'm the goat, my son.

Modified Procedure to Provide Job Permits to Workers Living Outside The City

Arthur MacNamara, director of National Selective Service, announces revisions to simplify the procedure for the issue of permits to seek and enter employment, in the case of workers living in a municipality where there is no Employment and Selective Service Office. This special procedure applies to persons who would be put to more than 30c expense in travelling to and from a local employment office.

A new form has now been devised, which is available at all local Employment and Selective Service Offices, and which will also be available through local Post Offices. The worker living in a rural district or in a town without an Employment and Selective Service Office may even without a permit seek employment in the municipality in which he resides, providing that he has already applied for a Selective Service permit on the new form N. S. S. 102-A. An employer in his municipality may engage the worker who has applied for a permit on this form for a period of up to 7 days, but after that time the employee to continue on the job must have secured his permit to work from Selective Service in the regular manner.

The new form, in addition to being an application for a job permit, covers the standing of male applicants in regard to Mobilization Regulations.

Mr. MacNamara pointed out that the new form is to facilitate acceptance of employment by residents of rural districts and small towns, while still maintaining the necessary wartime control over applicants living in such localities.

TO A MEADOW LARK

Hello, little fellow! You've come back again,
And welcome you are to the post in the lane,
I'm joyful to hail you, a true loving friend;
Who comes with a song 'ere the long winter's end.

I wonder what brings you so early each year,
When danger and sorrow must oft hover near;
Why not come with others when crocuses bloom
And warm Chinook winds chant the snowdrift's doom.

Do you know Yellow-breast the joye that you bring
To a farmer man and his wife as you sing,
Sweet love, faith and hope fresher blossoms attain
For they know that gay springtime shall soon wake the plain.

So come my brave birdie, as often before,
To partake o' a feast b' ythe kitchen door;
Then, when you have done, back to you perch so fine
And trill a wee song for the sake o' lang syne.

— By T. Longbottom.

A woman whose husband had died went to a medium who put her into communication with her late spouse. "John," she said, "are you happy now?"

"I am very happy" replied the spirit of John.

"Are you happier than you were on earth with me?" asked the woman.

"Yes," replied the spirit.

"Tell me, John, what is it like in Heaven?" asked the woman.

"Heaven!" exclaimed John. "I'm not in Heaven!"
